Tell me a joke

ASSISTANT

Sure, here's a classic one for you:

You ever notice when you're driving, anyone going slower than you is an idiot, and anyone going faster than you is a maniac? It's like, 'How can you be so stupid and drive so slow?' then you're like, 'Whoa, where's the fire, buddy? Slow down! So, we got idiots and maniacs everywhere on the roads! It's a wonder we survived the commute!'

ASSISTANT

Hey 🙋

Here's why you should consider taking up side coding projects 📖

1 Skill Enhancement:

It helps develop and refine your coding skills, enabling you to master different programming languages 🧑🏻💻

2 Portfolio Building:

Side projects serve as a testament to your skills. They're tangible evidence of your ability, showcasing your potential to recruiters 📄✅
